What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription."

The answer is that "Golden Medical Discovery" is a most potent alterative or blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder, curing a large per cent. of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia), bowels, (as mucous colitis), bladder, uterus or other pelvic organs. Even in the chronic or ulcerative stages of these affections, it is often successful in affecting cures.

The "Favorite Prescription" is advised for the cure of one class of diseases—those peculiar weaknesses, derangements and irregularities incident to women only. It is a powerful yet gently acting invigorating tonic and nervine. For weak worn-out, over-worked women—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulæ of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines.

The words of praise bestowed on the several ingredients entering into Doctor Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native, American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

Dr. Pierce's Pellets, small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

MONUMENT TO ESTES.

The monument erected by the women of Nelson county to the memory of Theodore Estes, son of Sheriff and Mrs. M. K. Estes, who one year ago yesterday was shot and killed at Oak Ridge by former Judge William G. Loving, for allege wrongs offered his daughter Elizabeth, was unveiled yesterday in the presence of several hundred of the friends of the young man. There was no speechmaking.

Flowers in profusion were spread about the mound beneath which young Estes rests and at the base of the shaft which commemorates the belief of his country-women in his innocence.

No member of the Loving family was present at the unveiling. Judge Loving and his family, including Miss Loving, are living in retirement on Thomas F. Ryan's Oak Ridge farm, of which Judge Loving is the manager.

The monument was erected by subscription, and not a penny was solicited. It was the work primarily of women, Mrs. Estes, the mother of the young man, selecting the shaft, which is erected on a hill overlooking the village of Lovingston and near the grave of Estes.

Cured of Rheumatism.

Mr. Wm. Henry of Chattanooga, Tenn., had rheumatism in his left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says. "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found that the pain gradually left me and the strength returned. In three weeks the rheumatism had disappeared and has not since returned." If troubled with rheumatism try a few applications of Pain balm. You are certain to be pleased with the relief which it affords. For sale by W. F. Creighton and Richard Gibson.

PROTEST AGAINST PARDON.

The action of Gov. Swanson in pardoning William O'Boyle, convicted six years ago of murdering Alma Hamilton, has aroused vigorous protest at Newport, News. Judge T. J. Barham, who presided at the trial of O'Boyle and three times sentenced him to be hanged, has given out a statement to the effect that he has never at any time recommended that the prisoner be pardoned. The judge addressed a letter to the governor last Friday, declining to make any recommendation for pardon. O'Boyle's victim was a young mulatto with whom the man had been living for several years, and who was the mother of several of his children. Because the woman had been drinking and did not pay proper attention to her baby, O'Boyle knocked her down and literally kicked her to death. A post-mortem examination revealed the fact that a double murder had been committed. Ever since his conviction O'Boyle's wealthy Philadelphia friends have been working for his released.

"E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. In the spring of 1902 I bought a bottle of Kodol and the benefit I received all the gold in Georgia could not buy. May you live long and prosper. Yours very truly, C. N. Cornell, Rodine, Ga., Aug. 27, 1906." Sold by W. F. Creighton & Co.

BLUE AND GRAY.

The Virginia Department of the United Spanish War Veterans was formed at a meeting of the delegates from the several camps of the State held in Richmond Tuesday night. Among the many questions discussed was that of having the one organization succeed the United Confederate Veterans and the Grand Army of the Republic. The uniform of the new organization combines the Blue and the Gray. Officers of the Virginia division elected are: Dr. Gordon Simmons, of Roanoke, deputy commander; Captain M. B. Rowe, of Fredericksburg, senior vice commander; James McGraw, of Richmond; junior vice commander; Captain George B. Shackelford, inspector; Captain Geo. M. Skipworth, officer of the day; Sergeant, W. N. Grubbs, officer of the guard; Thomas L. Larker, of Fredericksburg, mustering officer, and Dr. William M. Smith, of Alexandria, surgeon.

SUICIDE.

William J. Kelley, sixty years old, a prosperous blacksmith, at 2104 D street northwest, Washington, fired a bullet into his mouth yesterday afternoon in Potomac Park, Seventeenth and B streets northwest. The bullet entered the brain, killing him instantly. Last February, Kelley tried to commit suicide. He had been drinking heavily.

Thomas Byrnes, fifty-five years old, another Washingtonian, slashed his throat, wrists and legs with a razor yesterday evening in the P street car barn. His condition is serious. Byrnes went to Washington six months ago. Since then he has been out of work. Efforts to procure employment were futile. He went to the P street car barn, passed to the lot in the rear, and walked to the banks of Rock creek. After slashing his neck, arms and legs, he retraced his steps to the barn from which place he was taken to a hospital.

Alexandria Gazette
SIC SEMPER TYRANNIS
AND VIRGINIA ADVERTISER

THURSDAY EVENING. APR. 23, 1908.

THE Cannon resolution favoring the appointment of a committee to investigate the paper trust was properly characterized by Representative DeArmond in the House on Tuesday as a make-believe attempt to do something with the direct intent of doing nothing. There is a combination of paper makers to inordinately advance the prices of paper under cover of the tariff duty on pulp and paper. A repeal of the duty would break the combination by knocking away the props on which it is erected. Instead of repealing the duty as the president has recommended it is the aim of the Cannon resolution to prolong the plundering while pretending to investigate the cause. The country is not deceived by such tactics. The annual convention of American Newspaper Publishers' Association held in New York yesterday passed a resolution stating that the naming of congressional probers is a trick to block the Stevens bill for free paper. The ways and means committee of the House was accused of repulsing all efforts to address the committee and a hot attack was made on Speaker Cannon in which he was accused of bad faith in the paper trust inquiry. The newspapers for a long time have been the friends of Mr. Cannon, but if he plays false with them his undoing is sure.

SENATOR HALE says the most urgent need of the navy is a fleet of colliers; but there is room for difference of opinion as to the manner in which this requirement should be met. The senator points to the lack of suitable ships in the American merchant marine, twenty-nine foreign vessels having been chartered to carry fuel for the Atlantic battleship fleet on its way to the Pacific. Instead of building forty naval colliers, as he proposes, to lie rotting at government wharves in times of peaceful inactivity. Would it not be better, asks the Philadelphia Record, to admit to registry under the American flag the many foreign-built but American-owned steamers now in the sea-going trade on both oceans? Such a fleet could be impressed into service as colliers whenever the occasion should arise; meanwhile it would be earning money. Forty naval colliers would represent twenty millions of idle capital, deteriorating from year to year and costing a million per annum for interest and caretaking.

IT IS understood that one reason why Mr. Carlin is being opposed for reelection to Congress is the stand he has taken against the payment to the Pennsylvania Railroad Company of the $1,500,000 due that company on its Washington terminal contract with Congress. Mr. Carlin very properly holds that the railroad company has not carried out the terms of the contract, as it has not even started, much less completed, the erection of a sub-station in south Washington. The stand of Mr. Carlin is eminently proper and he should and doubtless will be upheld in it.

IN THE Senate on Tuesday Mr. Money made an extended speech on the danger of war if the Philippines are held by this country, saying that all nations that have had dependencies have been obliged to maintain great navies. The 7,500,000 people of the Philippines, he said, had cost this country several hundred millions of dollars already, and that money, he added, would produce no material result of advantage to this country, but should be charged up to "the mere pleasure of ruling other people."

IN supporting Speaker Cannon's resolution for an investigation of the paper trust Mr. Dalzell said it was capable of demonstration that the increase of prices was not due to the tariff. But his republican colleague, Mr. Perkins, of Rochester, pointed out a few days ago that the various paper-making concerns were combined into a trust immediately after Congress had doubled the duty on paper and increased the duty on wood pulp.

THE GAME of two pluck one was "not in it" at the Herndon meeting last night when Mr. Gordon and four other speakers attacked Congressman Carlin, who was not present. Mr. Carlin still lives, however.

STANDARD Oil reached $583 a share yesterday. This means an advance in the entire issue of $193,000,000. As one broker remarked, it showed what a small matter was the fine of $29,000,000.

From Washington.

(Correspondence of the Alexandria Gazette.)

Washington, D. C., April 23.

The government today was partially successful in having Justice Stafford rule favorably on contested points in the Hyde-eDimond-Benson-Schneider conspiracy case. The court refused to admit documents from the General Land Office showing the manner in which base lands had been secured by Hyde on the ground that there was no evidence in the case at present showing that these lands were secured by fraud.

Capt. York Noel of the navy fell a victim to a most unusual coincidence today, he having been stricken by death at the moment of his promotion from commander. A telegram received at the Navy Department today from Rear-Admiral Goodrich, commandant of the New York navy yard, announced that Capt. Noel died this morning at the yard.

The president today sent the following nominations to the Senate: To be U. S. District judge for the District of Minnesota, Milton Dwight Purdy, of Minnesota; captain to be rear admiral, William S. Cowles; and commander to be a captain, Alexander Sharp.

The St. Paul, Minneapolis and Seattle Railroad Company, incorporated in South Dakota, with a capital of $500,000,000 for the purpose of constructing a third-rail electric railway from St. Paul to Seattle, Wash., was today debarred by a fraud order from the use of the mails. Three other corporations, the Co-operative Construction Company, with $10,000 capital, the Great Northwestern Fiscal Agency and the Northern Investment Bureau, each with the same officers as the railroad company, were included in the fraud order. All of the companies had offices in the New York Life Building at St. Paul. The order recites the details of what is declared to be a colossal swindling scheme on the part of David Phillips, Samuel A. Phillips and William O. Webber, wherein these men juggled millions on paper.

Representative George L. Lilley, of Connecticut, was accused of false swearing today by Representative Olmstead, of Pennsylvania, a member of the special committee which is investigating Lilley's charges of corruption of Congress by the Electric Boat Company. Lilley resented the charge but Olmstead would no' withdraw it.

Not successful in getting the House naval affairs committee to act favorably on a House resolution to raise the Maine and its dead from the bottom of Havana harbor. Representative Sulzer today introduced a bill to accomplish that purpose.

President Roosevelt has decided upon Milton D. Purdy, the government's chief "trust-buster," for United States district judge for the District of Minnesota, to succeed Judge William M. Lochran, who will soon retire for age. The nomination will likely be sent to the Senate today. The president is determined to reward Purdy for his work in prosecuting the "bad trusts."

Leaders of the House were busy today trying to convince the membership of the republican side that enactment of financial legislation this session is a party necessity.

Mr. Carlin has introduced bills in the House granting an increase of pension to Nicholas Cassidy and giving jurisdiction to the Court of Claims to ascertain the interest of Anna M. Fitzhugh and the value of such interest in the wood taken from the estate of Ravensworth by the military authorities of the United States.

The happiest man in the House today was minority leader Williams over a hot shot fired at the republican majority. Every member of the House today got a telegram from the American Newspaper Publishers' Association reading: "The American Newspaper Publishers' Association, in convention assembled, protests against the subterfuge designed by Cannon, Payne and Dalzell to prevent relief from the extortions of the paper combine. We ask that the Stevens bill, now throttled in the ways and means committee, be put to vote on the floor of the House. We represent the seventh largest industry in the United States and have rights that Congress is bound to respect." Williams replied to this: "I join in your protest. Get the speaker to recognize me or somebody else to make the motion and it will pass. It is up to him." Then Mr. Williams drew up a petition asking that the request of the association be granted and dropped it into the hopper.

The House committee on judiciary will take no action on the Hepburn bill to amend the Sherman anti-trust act.

A clash is imminent between President Roosevelt and Senator Nelson, of Minnesota, over today's nomination of M. D. Purdy to be United States District Judge.

All opposition to the endorsement of Bryan by the democratic State convention collapsed just before the convention at Springfield, Ill.

Sixtieth Congress.

Washington, April 23.

SENATE.

Senator Rayner, of Maryland, in the Senate this afternoon constructed a national platform for the democratic party. He explained that he undertook the work because he had frequently been asked what the platform was to be. "If I had a hand in its construction, it would be a democratic platform" he exclaimed. It would ring with the martial music of the ancient lays. It would not hang on our harp upon a willow tree." He would also have it:

Demand that the tariff be reformed "by its enemies."

Declare against executive usurpation.

Demand enforcement of every federal enactment, under the theory that the greater the criminal the more severe the punishment.

Limit presidential office to one term, and prohibit the incumbent using federal patronage to learn his successor.

Provide that the United States "should not unite with any other robber government in the despoilment of foreign territory, or in the conquest of helpless races."

Denounce as treasonable any insertion into the constitution by judicial construction, or otherwise, of any power or grant not contained therein.

During the consideration of the naval bill in the Senate this afternoon, Gore (Oklahoma), the blind senator made his maiden speech by denouncing the steel trust.

HOUSE.

One of the most bitter fights of the session occurred in the House today over the adoption of the Senate resolution, instructing the attorney general to institute suit to wrest a small, but rich, empire in southwest Oregon from the Harriman interests, which are alleged to have violated the restrictions under which they received the grant to the three million acres of land involved.

This land was granted to the O. & C. railroad company in 1866.

Since 1892, the Harriman management has sold the land, irrespective of the law.

Scarcely had the debate begun in the House, before Representative Fordney introduced an amendment to protect "innocent purchasers."

The Fordney amendment met with a most savage attack. It was charged that this was an attempt to let Harriman escape. The Department of Justice was quoted as opposed to the amendment on the ground that as the railroad company had been reorganized it might escape as an "innocent purchaser" from itself.

The subject was debated until late in the afternoon.

News of the Day.

William F. S. Warwick, 35 years old, was found dead yesterday in his apartment in New York. Death had resulted from old age. Of an old southern family, clustered about Petersburg, Mr. Warwick was a captain in the Confederate army under General Morgan, the great southern raider. Mr. Warwick had lived in New York for 13 years.

The pension appropriation bill reported to the Senate yesterday carries $163,053,000, an increase of $12,184,000 over the amount appropriated by the House. The Senate executive session ratified two arbitration treaties and confirmed a few nominations. The House yesterday passed three minor bills, but defeated the bill allowing the importation of white contract laborers into Hawaii.

His father was a bishop of the Methodist Episcopal Church South.

The steamers will be more than 840 feet in length, 78 feet in breadth, with a gross tonnage of 45,000 to 50,000. The ships are to be fitted with combination turbines and reciprocating engines, guaranteed to maintain a minimum speed of 21 knots. The vessels will be named the Olympic and Titanic.

A ball rivaling in its wealth and brilliant effects an inaugural function at Washington brought to a close the fifth day of the stay of the American battleship fleet at the port of Los Angles. The dance was given in the immense Shriners' Auditorium in honor of the admirals and officers of the fleet, and it is estimated that more than 1,200 couples took part in the grand march, which was led by Rear Admiral Charles H. Thomas and Mrs. Adna R. Chaffee, wife of General Chaffee, chairman of the officers' entertainment committee. The officers were attired in full dress uniforms, and the glitter of gold lace mingled everywhere with the blended colors of the splendid gowns worn by the women.

The Boston Hippodrome closed today on account of the bad business. Two weeks salary is due to 300 employes.

COL. DEMPSEY IS NOT SATISFIED.

Colonel Charles A. Dempsey, United States army, who is attached to the office of Adjutant General Anderson, has just returned to Richmond after a month's tour of inspection of the various military organizations throughout the State.

During the period of absence he examined many of the companies in the Commonwealth, but, on the whole, he is compelled to admit that some of them are not in good shape. Indeed, he was distinctly disappointed as to the way several of them are managed.

Colonel Dempsey thinks the trouble, where it exists, is due chiefly to the laxity, inattention and inefficiently of the officers, who somehow fail to imbue their subordinates with the military spirit. In many towns, however, the volunteers were found to be in fine shape and the healthiest of enthusiasm prevailed among them.

SOFTNESS OF SEALSKIN

Is Rivaled By Human Hair Where Dandruff Is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the radical cause of all hair trouble is dandruff, which is caused by a pestiferous parasite that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair, is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by Ernest L. Allen & Co., agents. Two sizes 50c and $1.00. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich. 145

The girl had a number of admirers.

D. A. R.

At yesterday's session of the D. A. R. Congress in Washington chairman of the memorial committee Mrs. Donald McLean detailed the plan which she hopes will result in completing the hall. The committee now has $57,000 in bank. The only contract signed in the year, that for light and heat, has been completed and paid for. The architect has not been able to get any bids for the erection of the 13 memorial monoliths anywhere near the $26,000 appropriated for the purpose, and this matter is still in abeyance. Architects estimate that $170,000 will be needed for the completion in every detail of the exterior of the building, and about $30,000 more for the completion of the interior. Mrs. McLean made a strong appeal for the early completion of the building.

At the conclusion of Mrs. McLean's speech, Mrs. Mabel Swormstedt, treasurer general, reported briefly the plan for issuing bonds to complete the hall. It was announced that 20,000 had been contributed towards finishing the building.

The morning was given up to the reading of reports from the various national committees.

The committee on the preservation of historic spots and the committee on the prevention of desecration of the flag presented brief reports. Mrs. Lydia Pleasants Purcell, of Richmond, chairman of the Jamestown committee, recounted the part of the Daughters of the American Revolution in the exposition. Rebellion in India.

Simla, India, April 23.—A serious native rebellion has broken out in northern India.

The Mohmand tribe, 10,000 strong, is already in the field. The Mohmands are the best of the native fighters and many Afghans are joining them. Risings of other tribes are imminent.

It is understood all available British troops will be mobolized on a war footing today. General Kitchener, commanding England's military force in India, will arrive on the frontier Saturday to take charge of the situation.

Indications that the Amir of Afghanistan instigated and is encourging the uprising makes the trouble additionally threatening. If the amir's complicity is established, a huge campaign will unquestionably become immediately necessary. English relations with the amir have been unsatisfactory for some time. He is believed to have a secret agreement with Russia under the terms of which he counts on protection from British vengeance and has long been insolent and aggressive.

The military authorities do not conceal their belief that the only escape from a long, fierce border war lies in cowering the natives by an instant and extraordinarly vigorous campaign. The telegraph wires between Shabkaddar and Peshawar were cut by the rebels last night.

Several thousand Afghans crossed the Kabul river today and joined the rebellious Mohmand tribesmen. The amir made no attempt to check the movement. The Mullahs are encouraging the Afghans to fly to the Mohmands' aid, and their influence is steadily growing

Ex-President Cleveland.

Lakewood, N. J., April 23.—The condition of former President Grover Cleveland is again causing anxiety. He is still in his old quarters in the Lakewood Hotel, although the hotel itself has been closed for the season. Dr. Jos. D. Bryant, of New York, stated today that he did not consider the former president in any grave danger, and added that he would probably be able to return to Princeton in a few days. It is rumored that the former president is suffering from an attack of rheumatic gout.

Mr. Cleveland's condition first began to alarm his family and friends this morning although it had been known he was ill for some time. He is reported to have grown weaker during the night, and while no word has come officially from the attending doctors, it is understood they regard the patients' condition as being grave.

Eagle May Have Captured A Baby.

Medicine Hat, Alberta, April 23.—The 2-year-old child of James Norquay, a rancher, has been lost on the prairie since Saturday morning. Search was begun in half an hour after the child's disappearance. Twenty riders were out in the afternoon, and now fifty men are going over every foot of ground. A wolf or eagle is believed to have carried off the little one. There are many great eagles in the district. Last year a 4-year-child south of here disappeared mysteriously, and it is supposed that she was carried off by an eagle.

Mysterious Fire.

Waukegan, Ills., April 23.—Mystery surrounds the origin of the fire which burned the felt of the fly wheel in the plant of the North Shore Electric Company at midnight, releasing the big wheel, which killed two men and fatally injured two others. An investigation is in progress today. The fire had attracted hundreds of spectators who were standing outside the plant, when the wheel was released. It crashed through the heavy brick wall and into the crowd. The plant was destroyed. Loss $35,000.

Bryan Delegates Elected.

Boston, April 23.—The Bryan men swept the state at the caucuses held yesterday and last night to elect delegates to the state convention. No contest worth the name was made for any other candidate, and the delegates chosen were, generally speaking, favorable to Bryan. In Boston only four per cent. of the party vote came out, and the same thing was true throughout the state. In the only Boston ward where efforts were made to elect delegates pledged to Johnson, the attempt was unsuccessful.

Fatal Jump From Window.

New York, April 23.—Because he believed his wife was leaving him for good and would not heed his plea to return to her home, M. Glassenberger leaped from the window of his home on the fifth floor of a tenement today and was dashed to death on the walk in plain sight of his fleeing wife. Glassenberger, who was 50 years old, has several grown children by a former wife.

Suit Against Brewery Company.

Indianapolis, Ind., April 23.—Upon the theory that the relationship between the brewery and the brewery saloon is an unholy alliance, James Bingham, attorney general of Indiana, is preparing to bring suit. He will attack the legality of the brewery saloon. If his contention should be sustained, nearly 4,000 saloons in Indiana would be compelled to go out of business.

New York Stock Market.

New York, April 23.—Leading railroad issues in which banking interests is especially pronounced were strong features during the first hours and moderate advances were made in those stocks.

Outside of these stocks the railroad list was neglected and the trading and price movements were without importance. The industrial issues were quiet and generally firm.

A Woman Tells How to Relieve Rheumatic Pains.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I brought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—Mrs. Sarah A. Cole, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniament. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale by W. F. Creighton and Richard Gibson.

Statement from the Governor.

[Special Dispatch to the Alexandria Gazette.]

Richmond, April 23.—The governor is under fire from Newport News people who resent his action in pardoning Wm. O'Boyle, who brutally killed his negro mistress some years ago. Wealthy Philadelphia friends worked for O'Boyle's pardon. Governor Swanson today made a statement defending his action. He holds that the record shows that the murder was in the second degree, that eighteen years is the maximum penalty, that Judge Barham had said ten years' imprisonment would be sufficient punishment, that O'Boyle has served nine years in jail and the penitentiary, and that he can see no excuse for waiting another year.

Automobile Accident.

New York, April 23.—As the result of an unusual automobile accident which happened on the Williamsburg bridge early today, Mrs. Annie Bryan is dying at the hospital with a fractured skull and the valuable machine which her son, John Bryan, "borrowed" without the permission of his employer, Thomas Lemanne, is a wreck. Mrs. Bryan was thrown out on her head when the young chauffeur lost control of the car, and it bolted across the bridge at a mile a minute clip to meet disaster at the New York terminal. Righting itself the car dashed ahead at fearful speed. Bryan managed to guide it, but could not bring it to a stop. The road was clear, however, and the bridge was cleared safely. At the end the car dashed into a curbing and literally went to pieces, while the remaining occupants were hurled out. None received serious injuries however. An ambulance was called and rushed back over the bridge for Mrs. Bryan. Her condition was found to be so serious that on the trip to the hospital a stop was made at a church for a priest who administered the last rites to the dying woman as the ambulance continued on its way to the hospital.

Saloon Keeper Kills His Wife.

Cleveland, O., April 23.—Mrs. Mary McLaughlin, aged 25, today lies dead with two bullets in her body. Her husband, George McLaughlin, age 32, a saloon keeper, is under arrest, charged with murder. McLaughlin killed his wife in her bedroom early today. According to the police McLaughlin entered the room as his wife was holding her baby, Helen, aged 3 years, upon her lap. The child saw the weapon in her father's hands. At his angry threats she threw herself against her mother's breast making her little body a shield. The young mother pushed the baby from her and arose as the gun was fired. One bullet struck her in the breast, the other in the neck. The shooting ended an attempt by police Judge Levine under his golden rule policy to bring peace into the home life of McLaughlin. The couple had quarreled and Mrs. McLaughlin had her husband arrested. The judge continued the case pending his effort to make peace. The tragedy followed. Police captured McLaughlin after a desperate struggle.

Missing Broker.

Chicago, April 23.—Creditors today are searching for Wallace H. Hopkins, head of the stock brokerage firm of Wallace H. Hopkins and Co., who disappeared yesterday after learning of the filing of attachments against him by several of his creditors. Francis A. Harper his attorney, states that Hopkin's liabilities exceed $100,000. Hopkins failure is said to be due to his inability to float $1,000,000 worth of stock at par in the Canadian Zinc Company.

Order Restored.

Manila, April 23.—It is believed complete order has been restored among the Moros whom military and constabulary detachments were forced to disarm as a precaution against an uprising, and no trouble is anticipated further than the affair in which a Moro stronghold was captured after a fight in which two constabulary privates lost their lives. The troops are back at their station.

Democrats Bolt.

Springfield, Ill., April 23.—Delegates representing the "simon pure" Bryan democracy, of Cook county, (Chicago), have bolted the democratic State convention, and are holding a rump convention in a down town hotel. They will draw up a protest against the legality of the big convention, and name twenty contesting delegates from Cook county to the Denver convention.

Gardner-Sullivan Contest.

Los Angeles, April 23.—Jimmy Gardner and Mike "Twin" Sullivan in a 25-round contest, will present the opening card tonight at James Jeffries' new fight emporium just outside the city. The winner will be matched with Harry Lewis, who put Honey Maloney to sleep the other night. Jeffries expects a great crowd tonight.

Pittsburg, Apr. 23.—Mrs. Margaret Wolfram is dead and her husband and four-year-old son seriously injured as the result of a horse becoming frightened, running away and throwing the three occupants to the ground. As was stated in the Gazette William Peter Barksdale, known as the the "little giant of Halifax," died at his home at Houston yesterday morning, aged 43 years. He was a native of the county of Halifax and a graduate of the Virginia Military Institute. For 20 years he had been conspicuous in politics in the State. Fifteen years ago he entered the State Senate, serving for two terms. He was the author of the election law which is now on the statutes of the State. Senator Barksdale was a great admirer of Mr. Bryan. A year ago Senator Barksdale was stricken with tuberculosis. He went to Arizona, where he improved, but he could not bear to live away from his own people and returned to Virginia, knowing he would die.

D. OF C. BALL.

Successful were the members of the Robert E. Lee Chapter of the Daughters of the Confederacy in their efforts to make the ball given last night at the Arlington Hotel, Washington, the most brilliant social affair of the organization during the season. The affair was a success financially and socially, and was a fitting end to the activities of the order conducted during the winter months. The ball was given for the benefit of a memorial hall for the Confederate societies in the District. It is intended to purchase the old Norment property, 928 M street northwest, at a cost of $20,000. About $500 was realized.

Twenty thousand dollars is the purse which has been offered by Goldfield, Nev., sportsmen for a battle between Packey McFarland, of Ocicago, and Joe Gans. The price is for a 45-round battle July fourth. Harry Gilmore, Packey's manager, has declined the offer.

MASONIC BAZAR.

Tuesday, the second night of the Masonic Bazaar, was even a greater success than the first, both in point of attendance and receipts. A large number of Masons from Alexandria were present and they were warmly received. Mr. Geo. H. Evans, the well-known soloist of Alexandria, was received with enthusiasm and the numbers sung by him were varied and rendered in beautiful style. The Mandolin and Guitar Club, of Alexandria, was a decided feature of the evening. Their playing was of a high order, and when Dixie was rendered a storm of applause greeted it. The officers present from Alexandria-Washington Lodge, No. 22, were Pastmaster Leopold Ruben, Worshipful J. E. Shinn, Senior Warden R. W. Fuller, Junior Warden C. H. Callahan and Senior Steward C. B. PUT OFF TRAIN.

A northbound freight train of the Washington-Southern Railway stopped yesterday on the viaduct over Hooff's run at Spring Park, when three negroes jumped from the train. The darkeys tumbled down the steep embankment and never stopped until they rolled into the run. The conductor of the train discharged three shots from a revolver at the darkeys while they were rolling over and over in the descent, after which the train proceeded on its way. It is supposed the negroes were stealing rides and refused to leave the train until the conductor drew his revolver.

NEW DIRECTORY.

The Directory of Alexandria and vicinity for 1908, prepared by Mr. Robt. S. Barrett, is now being delivered to subscribers. PERSONAL.

Rev. Dr. William M. Dame is celebrating his thirtieth anniversary as rector of Memorial Episcopal Church, in Baltimore. He went to that church from Christ Church, Alexandria, on July 1, 1878.

The Senior Euchre Club held a very delightful meeting last night at the residence of Mr. and Mrs. C. C. Leadbeater, where they were beautifully entertained. The prizes were won by Mrs. H. F. Robertson, Mrs. S. G. Brent and Messrs. George Uhler and L. Stabler.

Messrs. H. K. Field, R. W. Arnold, Thomas F. Fegan and J. R. Mansfield, who have been attending the meeting of the Grand Council, Royal Arcanum, in Richmond, have returned to this city.

Miss Bessie Elhart Green, daughter of Mr. and Mrs. J. Johnston Green, of Braddock Heights, and Mr. Kenneth W. Ogden, of this city, were married at 9 o'clock last night at the rectory of St. Paul's Church, Rev. P. P. Phillips officiating. The ceremony was performed in the presence of only the immediate relatives of the two families. Mr. and Mrs. Ogden left for the north to spend their honeymoon, and were accompanied as far as Washington by a number of their friends.

Mrs. Lycurgus E. Uhler entertained at her home on Washington street Easter Monday at cards in honor of her guests, Miss Alice Albaugh, of Baltimore, and Miss Lepage Hough, of Roland Park. Those playing were Mrs. Richard Gibson, Mrs. William Bryant, Mrs. Richard Acton, Mrs. Isaac Grigg, Mrs. Valentine Smith, Mrs. Richardson, Mrs. George Uhler, Mrs. Herbert Oliver, Miss Lucy Douglas, Miss Josie Robinson, Miss Mai Gilkson, Miss Robins, Miss Marion Grigg, Miss Charlotte Blackburn, Miss Lida McLaughlin, Miss Rebecca Uhler, and Miss Bessie Herbert, of Baltimore. The prizes were won by Mrs. Valentine Smith, Miss Richardson, Miss Charlotte Blackburn and Miss Lepage Hough.

Mr. A. J. Hudson, of this city, is critically ill at Johns Hopkins Hospital, Baltimore.

A GORDON MEETING.

The voters of upper Fairfax were last night given an opportunity of forming and changing opinions as to the advisability of retaining or retiring Mr. Carlin, the Congressman of this district. At Herndon there was a large audience to listen to the oratory of Mr. E. Lindsay Gordon and his lieutenants. It was strictly a Gordon meeting, but those who attended are frank to state that the mention of Mr. Carlin elicited as much applause as did the name of Bryan. Speeches were delivered in advocacy of Mr. Gordon's candidacy by Mr. John S. Barbour, the attorney for the Southern Railway; Mr. A. A. Lipscomb, Mr. Lewis H. Machen, Capt. Crandal Mackey, and Mr. Gordon himself, while the only champion of Mr. Carlin appeared in the person of Mr. James E. Clements. Considerable mud was thrown, and expressions were freely made this morning that the meeting would prove a second Spottsylvania. Mr. Gordon read numerous affidavits made by his friends, as to the use of money in the last election, and the theme of the orations generally was a cry for clean politics, good government and fidelity to public rather than private interests. The speakers preceding Mr. Gordon were limited to fifteen minutes, Mr. Gordon consuming the remainder of the evening, and concluding about midnight.

After the hearing of this array of statesmen on one platform Mr. Carlin's friends said that the Gordon supporters evidently felt that their cause is hopeless.

The Carlin constituency claim that the meeting proved as beneficial to him as if he had been present.

Another meeting will be held at Middleburg, in Loudoun, next Saturday, at which political addresses will be delivered.

Moore has conveyed this property to Mr. Charles O. Pulman of this city.

The Court of Appeals of the District of Columbia yesterday granted a writ of error in behalf of Robert N. MAYOR'S REPORT.

Members of the council at Murphy, N. C., have sent a petition to Mayor A. S. Hill demanding that he resign for the "general good of the town," charging him with being too lenient in enforcing the town's ordinances "to inspire the proper respect for the town and for the authority of the mayor's court and its officers."

Mayor Hill in his reply says: "I would like to know who in these United States vested you with authority to demand my resignation. If I have not done the square thing, go ahead with impeachment proceedings. I was not appointed by your board. You have blowed in $2 300, you have collected, and got nothing to show for it. If the people get too hard on you poor aldermen, I would suggest that you resign and not try to take your spite out on me. You certainly are a nervy set."

THREE CHILDREN PERISH.

Fire, believed to have been of incendiary origin, yesterday, resulted in the death of three children of Mr. and Mrs. Jacob Brumfield, of Lincoln county, W. Va., and in serious injury to Mrs. Brumfield. The isolated house in which they lived was wrapped in flames when Brumfield awoke yesterday and it was with difficulty that he aroused his wife and leaped from a window to the ground with her in his arms. Mrs. Brumfield suffered a broken leg and other injuries. Three children, all under twelve years, sleeping in another room, were cremated. For months past it is alleged that here has been bitter feeling against Brumfield among the neighbors, on account of testimony given by him in a conspiracy case in the federal court.
